WORK EXPERIENCE

Scrum Master | Wells Fargo | Dallas, TX

December 2023 - Present

- Facilitated all Agile ceremonies, such as daily stand-ups, sprint planning, sprint review, retrospectives, replenishments) for cross-functional teams in both Scrum and Kanban frameworks.
- Led a Scrum team to deliver a data integration bridge syncing data to the cloud, enabling real-time replication via Change Data Capture (CDC) to MongoDB and supporting the strategic decommissioning of legacy systems as part of the cloud modernization and client adoption roadmap.
- Influenced teams and product owners on Agile best practices, reducing sprint carryover by 30% and increased predictability by 25% within a 4 month time-frame.
- Coached product and engineering managers on an agile mindset that strengthened alignment on product goals and team execution which decreased feature WIP by 20% over 2 quarters.
- Reduced Kanban cycle time by 30% within 6 months through identifying impediments and continuous Work in Progress limit adjustments.
- Coordinated Product Owner, Engineering Manager, and delivery teams to identify critical risk vulnerabilities outside of modernization scope which escalated executive visibility and risk mitigation planning.
- Mentored new scrum masters and participated in community of practice calls to deepen agile maturity across teams and product areas.

Scrum Master | Chubb, Limited | Whitehouse Station, NJ

November 2021 - August 2023

- Led 3 cross-functional teams in implementing automation tools within cloud infrastructure, streamlining processes and achieving a 50% increase in system efficiency, resulting in significant time and cost savings in deploying over 66 applications in Azure cloud
- Collaborated with lead Program Manager in developing project plans, including defect remediation and refactoring, cloud governance against the accumulation of technical debt in Azure Cloud resources saving Chubb over \$2M
- Designed a comprehensive requirements gathering process, collaborating closely with Program Managers, Product Owners, Engineering Heads, and Application Owners on a weekly basis, resulting in enhanced alignment, boosted stakeholder satisfaction, and advanced project outcomes
- Monitored the progress of projects, addressed risks, problems, action items, and decisions quickly, suggested answers to the leadership for backing as necessary, and offered regular status updates
- Managed streamlined processes for product backlog maintenance, transforming story writing and backlog prioritization; achieved a 25% boost in team efficiency and accelerated feature delivery by 20%
- Improved team's velocity by 40% by encouraging against over commitment and training for cross functionality among members

Scrum Master | Aergo Solutions LLC | Iselin, NJ

July 2019 - November 2021

- Owned the Agile processes and championed Agile-based best practices for 2 development Scrum teams

- Conducted an in-depth analysis of Scrum maturity levels within the teams, delivering customized coaching sessions and training workshops that resulted in a 50% increase in overall Scrum maturity within one year
- Led and facilitated project team meetings, including sprint planning, daily scrum, and sprint review meetings; guided retrospective discussions and drove continuous improvement efforts, resulting in a 20% increase in team productivity and led to a 15% reduction in project cycle time

Jr. Scrum Master | Aergo Solutions LLC | Iselin, NJ

September 2018 - July 2019

- Supported implementation of Scrum methodology to streamline development processes, resulting in a 40% increase in productivity within the development team
- Developed a real-time project tracking system, resulting in a 25% increase in project transparency and a 15% reduction in project-related risks
- Conducted regular backlog grooming sessions with cross-functional teams to identify and address product backlog inefficiencies, resulting in a 20% reduction in feature request backlogs and an increase in development efficiency

EDUCATION

B.S. Applied Kinesiology, RUTGERS UNIVERSITY NEW BRUNSWICK

May 2018
