SUMMARY

Seeking **Logistics** Specialist role with 6 years of experience in **transportation**, **logistics**, and operations **management**. Skilled in budget **management**, route **planning**, and contract negotiation from tenure at 1 Source Trucking LLC and METRO AIR SERVICES. Army-trained in supply chain **logistics**, adept in operational systems and **documentation** processes.

WORK EXPERIENCE

Hapag-Lloyd

Logistics Coordinator

Dunwoody, Ga

Apr 2024 - Aug 2024

- Proactive mindset and collaborative approach to daily tasks
- Responsible for the timely and cost-efficient transport of containers by rail, truck, barge, and feeder vessel to/from locations within the GEO area of operation
- Deals directly with customers regarding inland related issues, container information or routing of cargo via various **communication** channels such as salesforce and the phone contact center
- Facilitates the release of cargo including clearance for in-bond moves, customs clearance in Terminal systems, notification of Customs for cargo ordered to General **Order** and filing Customs **entry** for empty containers
- Arranges Mini Land Bridge **transportation** and bookings on carriage; in conjunction with GSC team as necessary.
- Prepares cargo release, issues delivery orders and **support** customers with proper information and processes; in conjunction with GSC team as necessary
- Ensure daily tracking of dwelling containers, follow-up with customers on requirements for timely release, avoiding storage costs
- Responsible for the timely and cost-effective handling of return cargo

METRO AIR SERVICES

Operations Manager

Baltimore, MD

Nov 2023 - Apr 2024

- Managed **transportation** operations, ensuring adherence to budget constraints while maintaining operational efficiency.
- Processed essential **transportation documentation** and monitored compliance with regulations through diligent oversight of driver logbook entries.
- Enhanced operational systems, procedures, and best practices to streamline workflow and improve process efficiency.

1 Source Trucking LLC

Transportation and **Logistics** Manager

Feb 2022 - Oct 2023

- Safely and punctually transported and delivered items, ensuring **order** accuracy and client satisfaction through meticulous review pre- and post-delivery.
- Prepared comprehensive delivery reports and maintained accurate **transportation documentation** to **support** operational transparency.
- Managed route **planning** and driver allocation to optimize scheduling and service efficiency within the **transportation** sector.
- Negotiated contracts effectively and oversaw payment processing while maintaining budget integrity and operational efficacy.

Department of Defense, United States Army

42A Human Resource Specialist

Fort Irwin, CA

Aug 2019 - Jan 2021

- Maintained an accurate and secure database of personnel records, ensuring the integrity and confidentiality of sensitive information.
- Assisted personnel with career development, provided guidance on promotions and training opportunities, and facilitated the management of transfers and travel orders.
- Managed payroll inquiries, coordinated scheduling of appointments, and executed payment processing with proficiency in Microsoft Office Suite.

92F Petroleum Supply Specialist/92a Logistics Specialist

Mar 2017 - Apr 2020

- Oversaw the efficient handling and coordination of petroleum product logistics, including receipt, storage, and dispatch.
- Conducted thorough accounting of petroleum and water resources, ensuring accurate tracking and management.
- Facilitated the submission of product samples for laboratory analysis, maintaining quality control standards.
