Professional Experience

NMDP (previously Be The Match), Minneapolis MN

Director, Digital Marketing Jan 2022 – Nov 2023

- Created curriculum and led requirements workshops for all lines of business to define digital rebranding requirements. Coached **project** delivery team on requirements facilitation and change management
- Directed the definition, documentation and prioritization of the Sitecore DXP implementation for the Digital Marketing department, including program roadmapping, and integrations with Salesforce Marketing Cloud, Pardot, and Sales Cloud
- Led the Digital Properties Overhaul **project** to deliver the first two phases of the multi-year CMS replatforming **project** on time, on budget and on scope
- Developed the newly created Digital Marketing Team of 25+ martech professionals (Digital Strategy, Marketing Automation, **Project** Management, SEO Optimization, UX, and Web **Development** teams) as a Center of Excellence
- Collaborated with senior leadership to prioritize new opportunities, refine strategies and KPIs, and ensure maximum ROI was achieved within the digital ecosystem

VESTIS (previously Aramark/AmeriPride), Minnetonka MN

Business Systems Manager June 2019 – Jan 2022

Ecommerce Business Analyst May 2017 – June 2019

- Led the SAP Commerce Cloud implementation using **Scrum**, Including vendor negotiation, RFP/RFQ review, business **analysis**, requirements workshops facilitation, User Story documentation and prioritization, backlog management and infrastructure **collaboration**
- Successfully led completion of B2B payment portal upgrade as ScrumMaster. Assigned to “get **project** over the finish line” following two preceding **Scrum** Masters
- Managed the webstore operations team as they executed SDLC, daily management, support and updates to 100+ webstores and key account sales enablement programs
- Designed the post-acquisition ecommerce business normalization plan and digital strategy, transitioning more than \$10M USD annual ecommerce revenue to Aramark practices

HORIZONTAL DIGITAL, St Louis Park MN

Digital Strategy Manager March 2016 – May 2017

- Facilitated client requirements workshops including platform capabilities education and strategic planning
- Documented User Stories and maintained client backlogs throughout project implementation
- Created repeated and spot-check progress reports in collaboration with internal and external project management
- Facilitated client transformation to Scrum framework within insurance industry, with focus on Product Owner coaching
- Delivered Sitecore implementation strategy consulting services, including content architecture, UX best practices, personalization strategies and change management

INSITE SOFTWARE SOLUTIONS, Minneapolis MN

Manager, Business Solutions Architecture June 2014 – Dec 2015

Senior Business Solutions Architect Feb 2014 – May 2014

Senior Consultant May 2011 – Jan 2014

Program Manager Sep 2009 – April 2011

QA & Documentation Specialist Feb 2009 – Aug 2009

- Led requirements elicitation, product definition and solution ideation sessions with keystone clients, designing +\$100K USD implementation service and licensing agreements
- Improved project agility and reduced requirements documentation inefficiencies with introduction of iterative Memo of Understanding (MoU) documentation process
- Created Business Solutions Architecture team, including recruiting, coaching and developing their business analysis and consulting skills
- Developed new documentation processes, cutting average specification sign-off time and document iteration counts in half and decreasing requirements workshop length by 1/3
- Defined, documented and wireframed UX, site functionality, ERP and 3rd party integration requirements for numerous enterprise-level B2B and B2C ecommerce clients
- Coordinated product development through multiple SDLCs
