SUMMARY

My diversified background includes over twenty-nine years in the areas of auditing, tax and financial system implementations, business process, and reengineering. My industry experience includes consulting, manufacturing, telecommunications, utility, and information technology for both large and small companies. In addition, I have also worked the past eighteen years designing, implementing and integrating Avalara, Sabrix, Taxware, and Vertex taxation systems with billing, CRM, and ERP systems.

EXPERIENCE

Brian Weaver Consulting LLC, Chicago, IL
December 2002 to present

Tax and Tax Technology Consultant

★ ERP, billing, and CRM implementation consulting involving the implementation and integration of these systems with the following tax software vendors: Avalara (AvaTax, CertCapture), FastTax, TaxWare (Sovos), Sabrix (OneSource), and Vertex (L, Q, O) to automate the transaction tax compliance function including the billing of sales/use/vat tax to customers, reporting the tax to the tax authorities correctly on the appropriate returns, validation of taxes paid to vendors, and accrual/remittance of use tax.

★ Tax, technical, and project management consulting services consisting of the following activities: Overall project management; Compliance process review; Identify and define key data elements; Analyze tax decision parameters; Coordinate software installation and set up; Establish interface requirements, restrictions and configuration requirements; System data identification, design and blueprint; Design, map and population of Tax Exemption Processing Module; Implement Returns Reporting Application and specific reporting requirements such as GAAP, IFRS, INTRASTAT and FACTA; Wayfair sales tax issues; Roadblock identification and issue resolution; testing; Go-live, support and knowledge transfer to the client.

★ Tax consulting services in the following areas: audit defense, negotiations, nexus reviews, voluntary disclosures, tax planning, contract restructuring, diagnostic reviews, compliance system design, reverse tax audits, relocation, due diligence reviews, merger and acquisition consulting, restructuring reviews, unclaimed property, government incentives and credits, legislative and regulatory assistance, reengineering and outsourcing.
