EXPERIENCE

Workday Payroll Senior Analyst

Alight/Strada June 2024 - Aug 2024 (Contract)

Acted as a Workday payroll expert, developing design concepts and collaborating with functional areas to create tailored reports, dashboards, and analytics.

Operated in a multi-client payroll delivery environment, providing day-to-day operational support for complex payroll processing and data issue resolution.

Ensured timely and accurate payroll delivery in alignment with client Service Level Agreements, Reported Service Levels, and Key Performance Indicators.

Developed and maintained integrations and interfaces associated with the multiple modules within the hriss

Ensure accuracy of data in reports, including data validation and cleansing in Bureau of Labor Statistics reporting as required, including MWR, OEW, JOLTS

HRIS Reporting Analyst

Inspire Brands Inc, Feb 2024 - June 2024 (Contract)

Configured Workday Core HR, Payroll, and Time Tracking modules, along with functional knowledge of Workday Benefits, Absence, and Compensation modules.

Lead and deployed Workday help implementation for HR Service Team, including test and troubleshooting processes, data, calculated fields, reports, business logic, and configuration.

Created and maintain intuitive dashboards, scorecards, and other reporting tools using EIB

Prepared end-user documentation and training materials for post go-live support

Tax Onboarding Specialist 1

Toast Inc, April 2023 - Nov 2023 (Contract)

Extract, manipulate, and import payroll and demographic data from legacy payroll providers

Validate payroll and tax information between legacy systems and Toast payroll system.

Setup new customers in MasterTax including bank accounts, company profile, tax rates and payment frequencies.

Advanced Excel skills including macros, Xlookup, pivot tables, filtering.

EXPERIENCE continued

Payroll Tax Coordinator

McDonalds Inc, June 2022 - Dec 2022 (Contract)

Responsible for over \$2.25 million per week in ACH funding for pay card payments, third party payments and HSA due for all payroll cycles; semi-monthly, biweekly, weekly and off cycle.

Daily auditing of ADP SmartCompliance reports including payroll registers, employee tax setups, and quarter file kickouts.

Research, correct and respond to internal employee payroll inquiries using Oracle HCM and Astute case manager.

Setup and configure new tax jurisdictions in ADP and corresponding employee records in Oracle HCM.

Payroll Implementation Coordinator

Homebase, Sept 2021 – July 2022

Created and maintained payroll reports specifically documenting employee demographics for client legacy payroll systems

Accountable for 30 end to end implementation projects per month, including pay rules definition, system configuration, data conversion, testing, parallel processing to transition to go live status.

Collected, configured, and migrated payroll data from various payroll systems into Homebase: ADP, Gusto, Paychex, QuickBooks, Square, Paylocity

Created and documented SOPs and client facing macros for payroll operations and support teams.

Tested, reviewed, and implemented self-service transfer portal, reducing implementation time for clients by 40%, and reducing payroll implantation team workload by 25%.

Assisted with tax setups, third party administrator and power of attorney forms during/post client onboarding.

Payroll Tax Coordinator

Namely, Dec 2019- Sept 2021

Researched and resolve matters pertaining to federal/state/local tax notices including tax filings and payments.

Assisted with tax setups, TPA assignments, POAs, etc. through the life of the business relationship with Namely.

Performed research and made recommendations for new processes and policies to ensure clients are following payroll best practices.

Direct client contact via Salesforce CRM to obtain payroll data, and to resolve and/or explain complex payroll concerns.

Daily tax notice queue management, responsible for closing a minimum of 5 tax notices per day.
