SUMMARY

Former FINRA Examiner and certified financial services **compliance** professional with over twenty years' experience. Expertise in **Anti-Money Laundering**, KYC, Due Diligence/EDD, Risk Assessment, OFAC, and Examinations/Audits. Knowledge of brokerage operations and offshore/fund methodologies. Met or exceeded production goals and quotas while maintaining an exceptional Quality Assurance error rate. Experience includes:

- Sanctions
- Brokerage/Trading
- Public Records Searches
- Retail/Wholesale/Investment Banking
- Fixed Income Products
- P2P Transactions/Fintech
- Lexis Nexis, Westlaw, Factiva
- KYC Remediations/Alert Backlogs/BAU

EXPERIENCE

Jenius Bank

Transaction Monitoring/EDD Analyst (Consultant), New York, NY

June 2024 – October 2024

- Investigated transactions for suspicious activity, including Fintech transactions. Performed enhanced due diligence on account holders to verify KYC information and evaluate transactions. Referred suspicious transactions and accounts to the BSA officer. Escalated alerts for further investigation. Helped to reduce significant alert backlog.

Piermont Bank

BSA Analyst (Consultant), New York, NY

September 2023 – January 2024

- Reviewed and cleared suspicious activity alerts, including Fintech transactions. Referred suspicious transactions and accounts to the BSA officer. Escalated alerts for further investigation, converted cases to Suspicious Activity Reports (SARs) when warranted. Filed SARs. Performed 90-day reviews. Reviewed and updated customer due diligence.

SHINHAN BANK

AVP/Transaction Monitoring Analyst, New York, NY

March 2022 – June 2023

- Review and analyze transactional **data** for potential suspicious activity, including those generated from alert detection processes, subpoenas and warrants, country/corridor reviews, foreign and domestic agent matters, consumer network cases, negative media reports, as well as other sources as applicable.
- Identify, research, determine if activity should be escalated.

SPENCER SAVINGS BANK

AML Specialist (Consultant), Elmwood Park, NJ

October 2021 – February 2022

- Performed enhanced due diligence on high-risk customers and transaction monitoring to determine if there is evidence of **money laundering**, terrorist financing and/or fraud; maintain appropriate **case management** and track high-risk reviews; make recommendations to continue banking relationships or escalate for consideration of exiting banking relationship. KYC Remediation project.

WELLS FARGO BANK

Financial Crimes Associate (Consultant), New York, NY

April – August 2021

- Reviewed transactions for possible Insider Trading violations. Investigated customers and issuers, analyzed transaction patterns, timing of transactions and press releases, in comparison to major financial announcements, to determine if transactions were made utilizing material non-public information. Performed Low Priced Securities reviews to determine if any links existed between customer and issuers.

SUMITOMO MITSUI BANKING CORPORATION

KYC Analyst (Consultant), **Jersey** City, NJ

July 2020 – February 2021

- KYC Remediation Project. Performed full KYC review of customer accounts, ensuring information is accurate and corresponds to documentary evidence. Completed Risk Summaries of existing clients based on KYC files and Wolfsberg Correspondent Banking Due Diligence Questionnaire. Analyzed clients' business profiles, beneficial ownership, sanctions, anti-bribery and corruption, negative news, and Politically Exposed Persons (PEPs). Made recommendations to continue banking relationships or escalation for consideration of exiting banking relationship.

business profiles, beneficial ownership, sanctions, anti-bribery and corruption, negative news, and Politically Exposed Persons (PEPs). Made recommendations to continue banking relationships or escalation for consideration of exiting banking relationship.

MIZUHO AMERICAS

KYC Analyst (Consultant), New York, NY

February – June 2020

- Supported KYC Management by performing KYC file reviews; Interfaced with account officers for all KYC related inquiries. Generated KYC reports, tracked timely reviews by Front Office for KYC file updates, performed in-depth reviews of KYC files and supporting documentation, assured adequate information was maintained within the files, adequate risk ratings were assigned and advised if any escalations were necessary. Completed reviews of jurisdictional risks, sanctions, PEP detection, FCPA and negative news review.

K2 Intelligence (for MEGA BANK)

AML Analyst (Consultant), New York, New York

April – August 2019

- Conducted correspondent banking investigations, performed enhanced due diligence, and analyzed transactions to determine if evidence of money laundering, terrorist financing and/or fraud. Submitted Requests for Information (RFI) and collected responsive information and documentation. Helped to reduce the number of backlogged alerts.

BANK of MONTREAL/BMO Securities

Quality Assurance Analyst, AML (Consultant), New York, New York

May – September 2018

- Reviewed the accuracy of the KYC/On-Boarding files in accordance with bank policy and regulatory guidelines, including independent research and evidence of customer information and documentation, adjudication of information and alerts related to PEPs, Adverse Media and Sanctions, data entry within the Capital Markets CIP Risk Scoring system. Ensured that appropriate documentation was received, and each customer profile updated. Provided feedback and guidance to KYC analysts for completion of client on-boarding process.

DEUTSCHE BANK

KYC/EDD Analyst (Consultant), New York, New York

October 2017 – April 2018

- Reviewed the completeness of the KYC files in accordance with AML/BSA regulatory guidelines and bank policy procedures, which includes identification and verification of the client, understanding the client's business and background, the purpose and nature of the relationship with the bank and the control and ownership structure of the entity. Presented a written summary assessing the risk the client poses to the bank.

COMMERZBANK

Senior Investigator (Consultant), New York, New York

October 2016 – April 2017

- Examined alerts for potentially suspicious account activity for broker-dealer, correspondent banking, and trade finance clients. Performed due diligence research of focal entities and counterparties, sent out Requests for Information (RFI) and drafted SAR forms for initial and supplemental reviews when applicable.
- Conducted Percentage of Market Cap Analysis when warranted. Participated in lookback project, resulting in clearance of approximately 1,000 alerts.
