

JAIME PRICE

ServiceNow Administrator/Developer

Dallas, TX • 718-587-7354 • jaimeprice291@gmail.com • <https://www.linkedin.com/in/jaime-price/>

SUMMARY

Experienced ServiceNow professional with over 7 years of experience with a proven track record of leveraging cutting-edge technologies and innovative solutions. Proficient in leading upgrades within ServiceNow, developing service catalogs and record producers, scripting with JavaScript. Showcase expertise in Flow Designer and workflow automation processes to enhance service delivery and develop custom applications. Skilled in designing and implementing tailored ServiceNow solutions, orchestrating seamless ITSM processes, and spearheading cross-functional collaborations for successful project deliveries. Strong analytical abilities focused on delivering impactful solutions for organizational success. Experienced in SDLC and Agile methodology, adept at translating business needs into effective solutions.

PROFESSIONAL EXPERIENCE

ServiceNow Developer | Wells Fargo | Dallas, TX | Feb 2021 – Present

- Developed and customized Business Rules using JavaScript to enforce field updates, and trigger notifications based on record events such as insert, update, or delete actions.
- Implemented client-side and server-side scripts, enhancing system functionalities by 25% and optimizing operational workflows.
- Configured and customized core ITSM modules such as Incident Management, Change Management, Problem Management, Knowledge Management, and Service Catalog.
- Leveraged knowledge and experience to deliver end-to-end methodologies within ServiceNow, which included the technical implementation of IT Infrastructure Library (ITIL) processes.
- Designed and developed ServiceNow integrations with various systems, databases, data sources, and assisted in setting up and customizing the ServiceNow ITSM module.
- Organized and prioritized development efforts, interfaced with vendors and management, and coordinated the efforts of administrators.
- Conducted end-to-end ServiceNow testing of transformed ITSM processes in UAT, and Production environments.
- Supporting the Bank to make effective decisions by providing data analysis, options, and presentations.
- Collaborated with stakeholders, including business analysts, system administrators, and end-users, to gather and analyze requirements for ServiceNow solutions.

ServiceNow Developer | Baylor Scott & White Health | Dallas, TX | Mar 2019 – Feb 2021

- Performed integration and scripting tasks using technologies like GlideAPIs, JavaScript, HTML, and CSS.
- Successfully developed and deployed 20+ custom widgets, resulting in a 30% improvement in user satisfaction and 25% reduction in ticket volume.
- Demonstrated comprehensive understanding of all phases of the Software Development Life Cycle (SDLC) for enterprise applications.
- Executed software updates on patches and fixes, removing 100% of obsolete software while safeguarding sensitive information.
- Developed Service Catalog, including catalog items, record producers, and order guides.
- Streamlined data entry by configuring fields for auto-population and crafted a more dynamic user interface using JavaScript client-side scripting and server-side scripting.
- Designed and implemented Agile requirements strategies to enable a flexible and iterative ServiceNow implementation.
- Collaborated closely with fellow developers to ensure the timely delivery of project milestones and consistently met sprint deadlines.

ServiceNow Analyst/Administrator | Cheesecake Factory Inc | Dallas, TX | Feb 2017 – Mar 2019

- Performed day-to-day administration of ServiceNow, ensuring 99.9% system uptime and reliability.

- Managed 500+ users, roles, and groups, ensuring accurate access control and enhancing security by deactivating inactive accounts
- Automated the generation and distribution of reports by creating scheduled jobs within the **ServiceNow** platform, ensuring timely delivery of critical information to stakeholders. Reduced manual reporting time by 40% and improved **data** accuracy by 25%.
