Street Services)

- Applied all aspects of Bank's Know Your Client (KYC)/Anti-Money Laundering (AML) policy and quality assurance procedures in the completion of existing and new account review and approval process.
- Managed and oversaw the activities of both new and experienced investigators as needs are identified and provided expertise and support on research techniques, capabilities and systems. Acted as a coach to more junior team members in reinforcing and advancing their skills and techniques.
- Reviewed and obtained all outstanding KYC on client files requested by internal and external audits.
- Documented review findings and worked closely with Compliance Officer and Relationship Manager to ensure missing client information (CIP), KYC documentations, ChoicePoint OFAC, Sanctions & DNDBW checks and any other due diligences are obtained or performed to avoid the 16-day escalation period.
- Drafted Suspicious Activity Reports (SAR)/Incident Reports with regards to clients and employees who are suspected or known to be involved in actual or attempted criminal activity e.g. money laundering, fraud, insider dealing or theft.
- Screened clients through OFAC, Sanctions, DNDBW, World Check and negative watchlist. Investigated, resolved and served as point of contact with upper management in the event alerts generated from screening and identity verification.

April 2001 -  
June 2004

**STATE STREET BANK / DEUTSCHE BANK, Jersey City, New Jersey**  
**Account Administrator - Global Custody Division**

- Trained and monitored new associates in the referral, research and securities reconciliation process.
- Responsible for reconciliation of all daily cash transactions and allocation of cash breaks to the business lines within 5 days of creation.
- Generated daily summary reports for management to communicate up-to-date aggregate and categorized break counts, and identified unusual activities or issues requiring special attention.
- Communicated effectively with various custody groups, including position reconciliation, advisory services, corporate actions, securities lending, and agent banks to efficiently reconcile cash breaks within 15 days.

February 1994 -  
March 2001

**MOODY'S CORPORATION, New York, New York**

**Senior Associate/Three Years Training Program - Financial Guarantors Group** – October 1998 to March 2001

- Obtained and reviewed financial information on a current quarterly basis for all credit exposures of mono-line insurers and re-insurers.
- Supported rating analysts in the rating process, including graphs, table spreadsheets, comparative statistics, formulating ratios, conducting ad hoc reporting and special projects as needed.
- Developed departmental procedures assuring timely and accurate information needed by analytical, billing and publishing groups.

**Senior Statistical Analyst - Rating Information Services** – February 1994 to October 1998

- Planned and implemented new rating practice on global medium term note issuance ensuring capture and prompt processing of ratings serving to increase market coverage and create a new source of revenue.
- Trained new associates on the day-to-day functions and workflow process of the Global MTN and CP Desks.
- Acted as liaison between key internal constituents, issuers, and underwriters in resolving rating discrepancies.
- Ensured that data quality projects maintain a sound technical base and definitive goals, delivery dates and documentation to support major business products.
