Summary

Skilled **Logistics** Professional with over a decade of experience.

- Improved **inventory management** and drove AOG shipping scores well into the 90 percentiles for 5 years straight during my time working as the **Logistics** Coordinator for Delta Air Lines' Line **Logistics** operation at the New Orleans International Airport.
- Assisted in enhancing Delta's New Orleans Line Operations improve its MEL (minimum equipment list) completion scores into the 90 percentiles supplanting the station at the top of the industry for ROM completion (regular overnight maintenance).
- Performed TDY (temporary duty travel) work at Miami and Fort Lauderdale International Airports to assist with improvements to their operation along with providing emergency coverage.

Experience

Freight Broker

M&K Trucking Global LLC

Jan 2023 - Present (1 year 4 months)

- Provided a wide variety of **transportation** services including liquid & dry bulk, truckload, LTL, permit loads such as Heavy Haul & Over-dimensional, Intermodal movements, domestic warehousing and **distribution**, and third-party **logistics**.
- Aided shippers with comprehensive nationwide coverage, and a powerful network of **logistics** partners that delivered products on time and on budget supplying customers with quality service and competitive rates.
- Served many industries including plastics, lumber, cosmetics, paper, food, pharmaceuticals, medical equipment, beverage, electronics, industrial equipment, and much more.

Logistics Coordinator

Delta TechOps

Apr 2015 - Jan 2023 (7 years 10 months)

- Warehousing and **distribution** of aircraft parts and related materials within the **supply chain logistics** operation - Aircraft parts pricing, purchasing, ordering, order pulling, domestic and international air **logistics**, dangerous goods shipping (via aircraft and truck), aircraft on ground (AOG) shipping, and receiving. Air **logistics** shipping executed using WEBVISION. Adhered to all customs regulations.
- Coordinating **cost-effective** Third-Party **Logistics** (3PL) truck shipments of aircraft parts and tracking of those shipments from origin to final delivery, producing bill of lading (BOL) and purchase orders (PO's)
- **Inventory Control Analysis** and Integrity - Meeting deadlines with **high** productivity and accuracy with monthly audits and reports. Processed parts **data** integrity issues where material master changes are made and corrected those issues in **SAP/EWM/IM/GEM-MIRS**. Researched root cause problems that effect daily operations. Provided feedback to address root cause and made improvements to the

operation. Parts research, tracking, forecasting, material **planning**, back-order filling, cycle counting, and created stock transfer orders. (STO's)

- Operation of mechanical and manual material handling equipment - forklifts, cherry pickers, pallet jacks, electrical carts.
- Operation of company vehicles - pickup trucks, vans, sedans, gas and electric carts.
- **Skills** - Able to respond to changing work environments or demands as well as working in all elements of weather. Advanced use of **SAP/IM/EWM** and GEM-MIRS. Use of **Microsoft** Office, Excel, and Word. AOG shipping/tracking of aircraft parts, domestic, international, and dangerous goods. 3PL (trucking) coordinating, shipping, and tracking. B2B access/ordering. Advanced use of WEB VISION shipping. Forklift and Hazmat certified through OSHA and Delta Air Lines. Advanced knowledge of the **supply chain logistics** operation and commercial aircraft. Self-motivated with the **skills** to work efficiently in a team or remote setting.

Supply Attendant

Delta TechOps

Dec 2010 - Apr 2015 (4 years 5 months)

Responsible for warehousing and **distribution** of aircraft parts and related materials within the **logistics** operation. Routine duties included ordering, receiving, binning, order pulling, packaging, cycle counting and making **inventory** updates/changes in **SAP** (IM/EWM/ECC). Also responsible for safe operation of mechanical and manual material handling equipment in a **warehouse** environment, examples are forklifts, pallet jacks, electric carts ect.

Ramp Agent

Delta Air Lines

Mar 2009 - Dec 2010 (1 year 10 months)

Performed a variety of duties according to the **functional** work area. Responsible for directing the ground movement of the aircraft in terminal ramp areas. Lifted, loaded, unloaded, and transported baggage/mail/cargo from loading equipment to and from commercial aircraft. Operated ground support equipment (gas and electric tugs, conveyer belts, tow tractors). Practiced safety conscious behaviors in all operational processes and procedures.
