Indore, MP

OBJECTIVE

To work in an environment which encourages me to succeed and grow professionally where I can utilise my skills and knowledge appropriately

EXPERIENCE

Oct 2023 -
Current

Associate Bench Sales Recruiter/BDE | Soft Standard Solutions

- Marketing IT Bench Consultants: Identify and place bench candidates in contract, contract-to-hire, and full-time positions across the USA through direct marketing, job portals, and vendor contacts.
- Customer Support & Consultant Assistance: Provide ongoing support to consultants by addressing queries, resolving concerns, and ensuring smooth transitions between projects.
- Negotiation & Rate Finalization: Negotiate contract terms, rate structures, and work authorization requirements (H1B, GC, OPT, CPT, TN, etc.) with vendors and clients.
- Sourcing & Lead Generation: Utilize job boards (Dice, Monster, LinkedIn, Indeed), vendor lists, and personal networks to generate job leads.
- Coordinating Interviews & Tracking Submissions: Arrange and coordinate interviews between consultants and clients while maintaining a database of job submissions, interview statuses, and placements using ATS or Excel trackers.
- Updating Resumes Using ChatGPT: Enhance and refine consultants' resumes using AI-powered tools like ChatGPT to align with job descriptions and market trends.
- Issue Resolution & Client Interaction: Act as a liaison between consultants and clients/vendors, addressing concerns related to job roles, payments, or work conditions.
- Networking & Market Intelligence: Stay updated on IT job market trends, new technologies, and demand for various skill sets.

Sep 2022 -
Nov 2022
