SENIOR WORKDAY ERP CONSULTING DIRECTOR & PROJECT MANAGER

- 25-year Technology Executive as Program Manager, PMO Lead and Sr. Project Director
- ERP Program Lead and Project Director for HCM, Finance, and Supply Chain Implementations
- Owner and Project Lead for thirty Workday, Oracle and Microsoft ERP implementations
- Controlled Mission Critical IT Programs with \$50MM budgets and teams of more than 150 resources
- Triple Certified PM with a Masters in Information Systems, MBA, and Masters in Accounting

Workday HCM / Finance / Supply Chain Liaison – Aligned COOs, CFOs & CIOs on cross-functional projects
Program Delivery – Completed two dozen Financials, HCM, Payroll, Reporting, and Projects implementations
Vendor Selection & Management – Owned and directed Oracle / Workday RFP & procurement processes
Strategic ERP Consulting – Built performance and justification decks for CIOs and Executive Committees
ERP & IT Advisory Services – Advised on best practices for ServiceNow, Workday, Oracle and Salesforce CRM

CONSULTING EXPERIENCE

WORKDAY ERP PROJECT CONSULTING DIRECTOR – Lesley University (2022-2024)

- Led the ERP Workday implementation through the full two-year implementation life cycle
- Directed all implementation resource teams from Workday, the client and implementation partners
- Owned all governance duties as the client's Steering Committee Operations Lead and Program Manager
- Co-created and managed the project plan, testing activities, training, and deployment activities

WORKDAY & SERVICENOW ERP PM & IT LEAD – Mars Inc. (2021 & 2023-2024)

- Co-Managed an 18-month Workday ERP Program across four regions with 500 team members
- Directed Deloitte on ServiceNow, and Talent, Recruiting, Time, Compensation and Absence modules
- Served as the Workday PMO Liaison and Cutover Director during a six-month Deployment Phase
- Planned and oversaw integrations with AWS, ServiceNow, ADP and external HCM partners
- Worked with the project stakeholders and sponsors to ensure completion of 150 SOW deliverables

SENIOR WORKDAY PROJECT DIRECTOR – AT&T (2023)

- Co-led a \$50MM Workday HCM ERP Program with Deloitte, Workday, AT&T IT and Accenture
- Managed Workday, ServiceNow, & Infor work for HCM, Financials, and HRSD tasks
- Directed Deloitte and 3rd party vendor project managers to deliver on the Workday and Infor SOW
- Owned the successful execution of Workday deployment and cutover preparations, and Testing activities
- Presented to the CIO, Steering Committees, and Project Champions on program status, risks & resources

SENIOR WORKDAY PROJECT MANAGER – Pegasus Logistics (2020-2022)

- Set-up Workday HCM and Financials as well as the migration from SAP and Lawson legacy projects
- Directed all vendor and internal resources for multiple cloud-based IT, Finance and HR Global rollouts
- Built and managed training, communications, and adoption plans for all corporate regions
- Developed Workday PSA and Financial project roadmaps and strategic plans with the client's executives
- Facilitated integration and workshops with Salesforce, Workday, ServiceNow and other vendors

WORKDAY & SERVICENOW SENIOR PROJECT MANAGER – Datasite (2020-2021)

- Managed the Phase Zero and initial Workday & ServiceNow implementation across nine modules
- Presented CEO Updates, Steering Committee Reports and PMO Reviews monthly to Executive Teams
- Completed the Plan, Analysis, Configuration, Testing and Deployment Phases in 9 months
- Configured Core HCM, Benefits, Time Tracking, Recruiting, Onboarding, and Compensation designs

SR. WORKDAY PROGRAM MANAGER – Bayada (2019-2022)

- Planned an ERP acquisition program with HCM, as well as Financial and Supply-Chain modules
- Directed cross-company ERP integrations, hosting assessments with AWS, and contract consolidations
- Created the change management, communication and process improvement plans for each business line
- Developed an application and business process assessment tool to create efficiencies across orgs
- Delivered strategies for training, knowledge transfer, data migration, the cutover, and ERP resourcing

WORKDAY PROGRAM LEAD – Cushman and Wakefield (2017-2019)

- Owned Workday ERP, ServiceNow and Salesforce CRM programs across the Americas
- Built a pilot Salesforce adoption project dashboard with 800 users across three regions and five services
- Worked with the CEO, COO and Market Leaders to integrate Salesforce into a Sales Management process
- Collaborated with vendors to develop a training management process for various real estate brokers
- Increased adoption 350% with new dashboards, reports, interface enhancements, and business processes

WORKDAY ERP PROGRAM MANAGER – Baptist Health (2018-2019)

- Managed the cutover process for critical IT implementations across multiple business units
- Developed the business / functional requirements for the primary vendor and payroll teams
- Owned the vendor selection and negotiation process between the client and six primary vendor teams
- Created resource plans, and responsibilities for each client / vendor role with the Engagement Manager
- Built a two-year roadmap with hospitals and service providers to transition over to the new ERP system
- Communicated with the CIO and Executive Steering Committee on recommendations and progress

ERP PROGRAM MANAGER – Novitex (2014-2016)

- Owned a Global \$25MM Workday / Salesforce / SAP implementation reporting to the CIO and CFO
- Presented to the CEO, CFO, CIO on the Program Status, Vendor Progress, Escalations, and Risks
- Managed the configuration of HCM modules such as Time Tracking, Recruiting and Onboarding
- Guided HR & Banking integrations while orchestrating requirements, configuration and testing processes
- Reported on project progress through MS Project and Office to the teams, and via PowerPoint to the STC
- Facilitated workshops for HCM, Finance and Supply Chain integrations and reports

WORKDAY ERP PROGRAM MANAGER – CityMD (2015-2017)

- Directed six Workday and Financial implementations across corporate business units over 18 months
- Controlled all scope, schedule and budget decisions jointly with the CIO, CFO and CHO of the client
- Prepared the MSA, SOW and contracts with the vendors such as CS, , Salesforce, Workday and Fidelity
- Negotiated the resource rates, requirements, and client commitments with the vendor executive teams
- Owned implementations for Sales, Customer Service, Payroll, Benefits, Core HCM and Financial

SENIOR PROGRAM MANAGER, ERP and CRM – Intralinks (2013-2014)

- Managed the CRM / ERP / HRIS implementations as the PM Lead with Finance, HR, IT, and 9 vendors
- Co-managed Salesforce integrations with GL, F.A., Banking, Assets, AP, AR, Procurement, & Expenses
- Directed 45 resources from six groups to develop ERP requirements, test plans and change management
- Established project roles with Workday, PWC, E&Y, Fidelity, HSBC and JPM, Salesforce and ADP
- Built weekly, monthly and ad hoc presentations for the PMO, Executive Steering Committee and CFO
- Completed Analysis, Design, Configuration and Testing Phases using Hyperion and MS Project

SENIOR WORKDAY ERP & PPM PROJECT CONSULTANT – Credit Suisse (2010-2012)

- Directed Global Workday & PPM implementation projects that spanned Investment and Private Banking
- Established SharePoint & Intranet sites along with processes to standardize the project management office
- Accountable for realizing \$16MM in program benefits from effort efficiencies and cost reductions
- Advised the PMO on program tools and templates for governance, communications and reporting
- Managed General Ledger, Banking, AP, AR, Expenses and FDM activities with the System Implementer
- Leveraged CA Clarity PPM & a Scrum methodology to streamline project reporting for all business units
- Oversaw Global Change the Bank (CtB) and Run the Bank (RtB) spend for multiple programs / projects

FINANCE PROJECT MANAGER – ADP & WORKDAY– AMC Networks (2012-2014)

- Directed the company-wide \$10MM ADP, Workday and Payroll implementations on time, under budget
- Coordinated project management duties with ADP, Workday, PeopleSoft, Fidelity, and Salesforce
- Created all project templates and presentations for the Steering Committee
- Co-managed scope, resources, budgets, issues with internal project managers over five work streams
- Coordinated project dependencies with Meteorix, Workday, Finance, HR and other internal business units

IT / ERP CONSULTANT / PROJECT MANAGER– Hearst Digital & UB Media (2008, 2011)

- Managed critical IT projects with Microsoft Project, Excel, and Salesforce in a Scrum methodology
- Trained the Directors and PM staff on project management methodologies and process improvement
- Created reports with Salesforce, MS Office, MS Project & DoubleClick's Dash Sales Management Tool
- Developed best practices for campaign management executions as well as Advertising Operations
- Utilized a compressed Scrum methodology to improve SDLC timeframes and the delivery time by 30%
- Advised the client on resources, software packages, AWS services, projects and integration processes
- Compiled kickoff packages, workflow and communication plans for Hearst's advertising clients

PROGRAM MANAGER – NYC School Construction Authority (2010-2011)

- Oversaw \$5MM CRM, PPM and ERP implementations for the Corporate Office
