jasmine.elise.henry@gmail.com

Summary

Tenacious and accomplished security, cloud, and compliance practitioner with 10+ years of experience with hands-on architecture, cloud security, risk remediation, assessments, and framework implementation.

Expert security partner to DevOps and Product Engineering in cloud-native, microservices and containerized environments. Specialized in AWS security, threat modeling, and the hands-on implementation of MDR, SIEM, vulnerability scanners, DSPM, ID/IPS, IAM, SOC 2, PCI DSS, ISO 27001 and countless other security technologies and frameworks.

Experience

JupiterOne | Senior Director of Data Security and Privacy

December 2021 - June 2023 | Raleigh, NC

- Provided vision, leadership, and hands-on implementation for a large portfolio of enterprise cyber initiatives, including policy, product security, customer security, data security posture management (DSPM), vulnerability management, SDLC security, cloud security monitoring, and many more.
- Worked cross-functionally with operational units to manage organizational risk posture, lead compliance, and serve as a consulting subject matter expert for client product implementations.
- Performed hands-on implementation and maintenance of AWS cloud security configurations, Terraform, Sentry, Okta, GuardDuty, MDR, VPN, MDM, AWS IAM, Panther SIEM, and many other services and technologies.
- Managed a team of 5 employees and contractors in successful external certification and compliance in NIST, SOC 2, Type 2, ISO 2001:2022, and FedRAMP Moderate RAR (readiness).
- Implemented and maintained governance solution for continuous compliance monitoring and risk reporting.
- Built, documented, and steered a program for vendor and supply chain risk and privacy management across a portfolio of 120+ SaaS vendors and contractors.
- Created and managed bi-weekly reporting on a large set of program metrics and quarterly KPIs for security, privacy, and compliance.
- Served as lead author and researcher for the annual State of Cyber Assets Report and executive editor of Reinventing Cybersecurity.

Esper.io | Director of Cybersecurity and Information Technology

February 2020 - December 2021 | Seattle, WA

- Created and scaled a comprehensive security, compliance, and privacy function from Series A to Series C.
- Directed global enterprise initiatives for security and privacy policy, training, and regulatory compliance

- Collaborated cross-functionally to perform impact **analysis** and design **security** and privacy controls for customer product implementations and new features
- Lead a small global team of 4 **security** managers and engineers.
- Successfully completed SOC 2 **Security**, ISO 27001, and **PCI DSS** SAQ-D audits in 6 months with limited resources and budget.
- Implemented SentinelOne XDR, JupiterOne CAASM, KnowBe4 for **security** awareness, **Cloudflare** SASE, GuardDuty ID/**IPS**, OKTA IAM, and other **security** solutions.

Self-Employed | Cybersecurity Consultant, Researcher & Industry Analyst

August 2016 - February 2020 | Port Angeles, WA

- Consulted for clients including IBM **Security**, HPE, WordPress, Mimecast, and Samsung.
- Wrote research white papers, articles, and more.
- Frequently published cybersecurity articles as a bylined subject matter expert on SecurityIntelligence, HP Tektonika, Samsung Business Insights, Forbes, Time.com, and other publications.

Conservation **Services Group | Program Manager**

February 2014 - August 2016 | Nashville, TN

- Acted as principal technical program manager for the multi-state development and launch of TVA's eScore home energy efficiency application.

IMA | Program Manager

January 2012 - January 2014 | Nashville, TN

AAA | Help Desk

May 2010 - January 2012 | Portland, OR

Education

UALR | PhD in **Computer & Information Sciences**

Anticipated December 2024

Lipscomb University | MS in Informatics & Analytics

September 2013 - August 2015

Willamette University | BA in Russian & Environmental Sciences

August 2006 - May 2010

Notable Contributions

Board member and organizer at The Diana Initiative and organizer at fwd:CloudSec. Volunteer guest speaker at fwd:CloudSec, University of Washington, University of Pittsburgh, local OWASP chapters, PancakesCon, #WTFIsSRE, All Day DevOps, MozFest, local Cybersecurity Summits, **Cloud Security** Alliance, and countless others.

Skills, Tools & Frameworks

SQL - Python - AWS Cloud Security - Cloud ID/IPS - EDR/XDR - MDM - IAM - DLP/DSPM - YAML - JSON - Github / GitLab - DAST - SAST - CSPM - SOC 2 - PCI DSS - ISO 27001 - ISO 13485- NIST 800 series - GDPR - CCPA - CIS Benchmarks - OWASP SAMM - BSIMM - Terraform - OAuth - Kubernetes - GuardDuty - WAF - SIEM - Sentry - AWS IAM - Nessus - CrowdStrike - SentinelOne - McAfee - VPN - JAMF - Intune - API Security - Microservices Security - OAuth
