Summary

o More than seven years of versatile experience in analysis, design, development and implementation of software applications and in developing n-tier architecture based solutions with distributed components and internet/intranet applications. o Expertise in designing and developing applications using Java J2EE technologies including Servlets, JSP, JSF, Icefaces, Primefaces, Richfaces, EJB, JMS, JDBC, JNDI, XML, AJAX, Webservices, Spring and CDI. o Expertise in developing Responsive Web applications using Bootstarp, HTML 5, Javascript, CSS3, JQuery UI, JQuery Mobile, JSF, JQuery Validation Framework. o Expertise in deploying applications using Web and Application Servers like BEA WebLogic, IBM Websphere, JBoss and Apache Tomcat on Windows and UNIX environments. o Highly proficient in using frameworks like JSF 2.X, Spring MVC, Struts 2 and Hibernate. o Expertise in building Ant, Maven and Gradle build Scripts from scratch. o Expertise in engineering with SCM Automation, for code quality using SonarQube and Continuous integration using Jenkins Server. o Expertise in Adminstrating Git distributed version control system. o Hands on experience with bulding Ansible scripts for App Deployment and Configuration Management. o Highly proficient in using Design Patterns such as MVC, Singleton, Session Facade, Front Controller, Data Access Object (DAO), Value Object, component based, services driven Enterprise Java applications. o Strong experience with Oracle database and programming languages SQL, PLSQL and in developing Stored Procedures, Functions, Triggers and Cursors. o Possess strong domain knowledge of Banking, Communication, Supply chain and Insurance sectors. o Creative problem solver with the ability to rapidly analyze challenges, applying strategic thinking to tactical concerns with strong problem solving skills and a result oriented attitude. o Excellent team Player with good Technical, Analytical, Communication and interpersonal skills.

Work History

- **Principal Solutions Architect T-Mobile**
- **Principal Architect, Systems T-Mobile**
- **Software Engineer Indus Valley Consultants**
- **Systems Analyst Indus Valley Consultants**
- **Systems Analyst Nuview**
- **Principal Engineer, Sdet T-Mobile**
- **Senior Engineer, Sdet T-Mobile**
- **Lead Consultant Genpact**

Education

- **Bachelors** | Jawaharlal Nehru Technological University
- **Masters** | Southern Illinois University Carbondale
