

Martha Hagos

UI/UX Designer and Customer Experience Consultant

Hailemartha0@gmail.com | GA, Lilburn

[Portfolio](#)/[LinkedIn](#)

Professional Summary:

With over 9 years of experience in UI/UX design and studio art, I specialize in developing user-centered solutions for web, mobile, and in-vehicle interfaces. Adept at leading strategic design initiatives, rapid prototyping, and collaborating with cross-functional teams, including engineering and business stakeholders. Recognized for leadership in mentoring design teams, advocating for accessibility, and leveraging UX metrics to optimize product development. Thrives in high-stakes, collaborative environments.

Education:

- **MFA** in Fine Arts, Alle School of Fine Arts and Design, Addis Ababa University, Ethiopia
- **BFA** in Industrial Design, Alle School of Fine Arts and Design, Addis Ababa University, Ethiopia

Certification:

- **Certificate** in UX/UI Design, Georgia Institute of Technology (Georgia Tech), USA

Clearance:

- Public Trust

Core Competencies:

- **UX Design Leadership:** leading UX/UI design projects from research to final production, ensuring user-centered design principles.
- **Cross-Functional Collaboration:** Partnering with engineering, development, and business teams to deliver high-quality, scalable solutions.
- **Prototyping & User Validation:** Expertise in wireframing, task flows, and usability testing to optimize automated and interactive systems.
- **Accessibility & Compliance:** Knowledgeable in ADA/Section 508 and WCAG 2.1 AA, ensuring inclusive design for diverse users.
- **Mentorship & Team Leadership:** Proven track record in coaching and mentoring junior designers, fostering a culture of collaboration and innovation.

Technical Skills:

- **Design Tools:** Figma, Adobe XD, Sketch, Invision, Miro
- **Prototyping & Research:** Wireframing, usability testing, user flows, storyboarding
- **Project Management:** Jira (Agile), Miro (collaboration), Confluence (documentation), Smartsheet
- **Special Skills:** Art Direction, Section 508/Accessibility Remediation, Branding

Professional Experience:

Lead UX Designer & Project Consultant | QBE North America | Current

- Led UX/UI design for customer and agent portals, enhancing usability for internal and external stakeholders.
- Developed high-fidelity prototypes and collaborated with Guidewire developers to refine user-friendly UI designs.
- Presented design concepts visually and verbally, advocating for UX best practices across teams.
- Applied Lean UX methodologies to streamline prototyping, iteration, and implementation.
- Ensured consistency in design standards, layout, and branding across platforms.

UI/UX Designer & Consultant | Melt Technology IT Consulting and Training | Nov 2023 – Dec 2024

- Created wireframes, user flows, and prototypes to enhance web and mobile application usability.

- Conducted **user** research through surveys, interviews, and usability **testing** to refine designs.
- Analyzed **user** feedback to optimize interaction patterns and improve customer **experience**.

UX/CX Designer | LCG, Inc. | National Institutes of Health (NIH) | (NINR, NIGMS, NIA) | Jan 2023 – Nov 2023

- Designed **responsive web applications** with a focus on **accessibility** and Section 508/**WCAG 2.1 AA compliance**.
- Developed **UI** concepts, mockups, and interactive prototypes for government-funded health research initiatives.
- Conducted usability studies and collaborated with stakeholders to implement data-driven improvements.
- Maintained consistency in **design** aesthetics and site layout across projects in **collaboration** with engineering and **development** teams.

Graphic Designer | UX/UI Consultant

• Various Clients (Government & Commercial Projects) | Jan 2021 – Jan 2023

- **Skillz | Sports Social Media App**: Designed **user** experiences using storyboards and prototypes.
- **U.S. Department of Labor Website Redesign**: Developed **UI** elements and interactive mockups.
- **Recycle 101**: Conducted **user** research and presented data-driven **design** solutions.

Art UX/UI Designer | Play Learn | Jan 2020 – Jan 2021

- Created platforms, improving usability for course registration and assessments.
- Worked closely with programmers and solution architects to implement **design** enhancements.

Freelance Graphic Designer | Apr 2018 – Jan 2020

- Provided graphic **design** consulting for events, start-ups, and personal branding.

Graphic Designer | Transport Ministry of Addis Ababa | Feb 2016 – Mar 2018

- Designed branding and digital assets for the national 'Sheger' bus initiative.

Art Director | ("Nevsu") EndemolShine Israel Film Production | Oct 2017 – Dec 2018

- Led art direction for Emmy Award-winning television series "Nevsu."

Assistant Art Director | ("Fig Tree") | Blacksheep Film Production | Oct 2015 – Feb 2017

- Managed art department for the internationally acclaimed feature film "Fig Tree."

Art & Design Lecturer | Addis Ababa University | Oct 2013 – Feb 2018

- Taught **design** principles and mentored undergraduate and graduate students.

Art Exhibitions & Collaborations | (2009 – 2024).

- Showcased and curated artworks in international galleries and festivals
- Collaborated with renowned international artists on multidisciplinary projects.

Professional Affiliations & Leadership:

- **Ambassador, European Forum Alpbach Alumni Network (Ethiopia) | Oct 2016 – Feb 2018**
 - Led communication strategies and networking initiatives for Ethiopian professionals.

Additional Information:

- Passionate about designing human-centered solutions and **UX applications**.
- Strong advocate for **accessibility**, usability, and inclusive **design** in digital experiences.
- Experienced in Agile methodology, rapid prototyping, and **design** thinking processes.
