WORK EXPERIENCE

SENIOR MARKETING LEAD (CONTENT & PRODUCT MARKETING)

AUGUST 2022- AUGUST 2024

JPMorgan Chase & Co. | Atlanta, GA

- Wrote website content for functional web elements (ex: navigation menus, product descriptions, FAQ pages) to increase product adoption by 18%
- Led branding and strategic communications initiatives to create high-quality, content design artifacts to support over 200 customers across the Global Technology business unit
- Produced over 50 pieces of content including producing technical and business-oriented copy that led to a 25% increase in product adoption
- Oversaw the day-to-day execution of the marketing team's core initiatives including producing technical and business-oriented copy that led to a 25% increase in product adoption
- Enabled product owners with targeted content strategies and assets to support over 33 multi-channel campaigns across owned, and shared media channels
- Created engaging scripts for presentations, multimedia initiatives, and storytelling-focused projects to create over 15 net-new GTM assets for executive and senior leadership
- Worked with executive directors and senior technical leadership to identify analytical and comparative content to increase technical product adoption by 33% for over 200,0000 technologists
- Created 5 campaign playbooks to create and standardize the process for creating product user guides, blogs and product-focused video content

SENIOR CLIENT EXPERIENCE MANAGER

NOVEMBER 2019- JUNE 2022

Movable Ink | Atlanta, GA & NYC, NY

- Partnered with design and production teams to transform complex concepts into actionable, clear deliverables producing over 15 pieces of digital content
- Uplifted website engagement by writing and optimizing homepage content elements that increased customer engagement with the website homepage by 34%
- Partnered with product and application owners to create and implement channel roadmaps to create a content-focused, omnichannel marketing experience across 4 digital platforms
- Collaborated with analytics and data science teams to define and track content performance metrics for web, mobile and in-app notifications; with a focus on identifying key insights, trends and actionable improvement opportunities
- Coordinated delivery timelines with managers from 8 different divisions, serving as the primary point of contact for intake, project management, updates, and timely project delivery across 4 different time zones
- Regularly provided comprehensive project status reports to executives, addressing stakeholder concerns and ensuring transparency on project progress to decrease the need for product office hours by 22%

ACCOUNT SUPERVISOR

NOVEMBER 2019- JUNE 2021

Trendline Interactive | Atlanta, GA & Austin, TX

- Served as the lead marketing account supervisor for clients in the financial services, retail, tech, and education industries, to develop robust content and email marketing campaigns, collectively contributing to over \$7 million in annual revenue
- Wrote structured compelling content that effectively connected with target audiences through thoughtful storytelling
- Executed content strategy against multiple channels including email, social media, and landing pages, leading to a 28% increase in website traffic in less than 6 months
- Led A/B roadmap testing by prioritizing personalization opportunities and providing recommendations for more effective copywriting based on insights gained through focus groups, qualitative and quantitative research data
- Customized 3 product owner dashboards that aggregated metrics across lines of business resulting in a 35% increase in company-wide dashboard usage
- Conducted keyword research to ensure optimal SEO reach for over 40 pieces of content
- Performed keyword research, on-page optimization, content gap analysis, competitive analysis, and reporting required for effective site optimization for all owned media
- Partnered closely with UX and UI teams to develop impactful CSAT surveys to effectively identify customer pain points and create corresponding content to address customer go-to-market needs

EMAIL & TECHNICAL CAMPAIGN MANAGER

DECEMBER 2018–NOVEMBER 2019

Brightwave Email and CRM Marketing Agency | Atlanta, GA

- Oversaw the production of high-quality and engaging content, including articles, blog posts, social media copy, and website content that optimized content for SEO and user experience
- Leveraged a diverse set of methods and platforms, including web analytics, lead generation, landing page design, social media strategy, email marketing, video, blogging, and podcasting, to drive a 33% increase in client and customer satisfaction
- Owned the lifecycle strategy, specifically within email and sms automation, by enhancing and creating net-new, series-based emails (ex: welcome series, re-engagement series, abandoned cart series, etc.) to uplift engagement by 18% throughout the customer lifecycle journey
- Consistently collaborated with web page owners, UI, UX, and visual design teams to craft engaging, informational, and uncomplicated website content

EMAIL MARKETING & PUBLIC RELATIONS SPECIALIST

MAY 2017–NOVEMBER 2018

Georgia State University | Atlanta, GA

- Shaped the evolution of the content strategy practice by defining and refining internal processes, crafting reusable templates, and mentoring junior content team members
- Conducted research to stay up-to-date on industry trends to ensure content is optimized and personalized for key audience segments
- Collaborated closely with cross-functional teams, to ensure the seamless integration of PPC initiatives with product development efforts, resulting in enhanced user experience and conversion rates
- Significantly enhanced email marketing performance, elevating open rates from 11% to 25% by crafting compelling headlines and content that captured readers' attention and increased overall email engagement
- Identified new opportunities to reach potential customers by recommending new content to address content gaps

ASSISTANT DIRECTOR

AUGUST 2015–MAY 2017

University of Florida | Gainesville, FL

- Developed and executed a comprehensive content placement strategy, ensuring that content is optimized for discoverability and engagement across website, app, and mobile
- Partnered with design leadership to develop content and brand guidelines to ensure brand consistency across all channels
- Supervised advertising and product design teams to maintain consistency in all corporate branding materials
- Collaborated with internal teams (e.g., special events/experiential and brand solutions) to develop, influence and execute branded partnerships opportunities leading to a 89% CSAT score from customers
- Advanced brand reputation across a portfolio that included: media relations, crisis & emergency communications, special events, events operations, internal communications, executive communications, speechwriting, creative services, public relations and digital strategy

CONTENT & STRATEGY MARKETING CONSULTANT

MAY 2015–MAY 2018

V+ R Strategies Consulting, LLC | Atlanta, GA

- Created a content factory to support all stages of the buyer's lifecycle journey to increase website traffic and brand engagement by 16% YoY
- Used content models and taxonomies to design, structure, and organize 50 pieces of digital content to help customers more easily understand complex technical concepts
- Facilitated 10, end-to-end discovery workshops with product designers to gain a better understanding of products and underlying narratives to develop and define brand voice
- Implemented strategies to maximize the reach and lead generation impact of owned content through various distribution channels, including social media, email marketing, influencer outreach, partnerships, and executive marketing
