

LAURENCE RUBINOW

SOFTWARE ENGINEERING CONSULTANT

612-206-6189

larry.rubinow@gmail.com

Inver Grove Heights, MN

PROFESSIONAL OVERVIEW

Laurence (Larry) Rubinow is an enthusiastic consultant and lifelong learner with nearly 30 years of experience in finding elegant solutions to complex problems in **software engineering** and **architecture**, with emphasis on middle-tier and back-end **systems**. He has a proven history of collaborating effectively with product owners to meet critical business demands.

CORE TECHNOLOGIES/SKILLS

- Go (Golang)
- **Java**
- **Spring** Boot
- SQL (MS, Oracle, PostgreSQL / Cockroach, MySQL)
- REST
- Logging / metrics / dashboarding
- JSON and XML
- Test-Driven Development
- Perl, Python, Shell
- Docker and Containerization
- **Google Cloud** Platform
- Git/Github

PROFESSIONAL EXPERIENCE

Software Engineering Consultant

Daghterty Business Solutions / CGI | remote | 2021-2025 (engaged at The Home Depot)

- Consultant on team that built and expanded a highly performant, reliable, and scalable **cloud**-based payment-card transaction routing middle tier that today handles several million transactions per day (Go, Cockroach, GCP/GKE)
- Helped develop a similar system to handle and route gift-card transactions (Go, Cockroach, GCP/GKE)
- Created new tools and improved existing tools to aid in maintaining a clean, consistent Go code base
- Developed and enhanced dashboards, alerts, and log queries to monitor and maintain application health
- Performed root-cause analysis to determine reason for pinpad crashes at store registers
- Wrote and maintained GHA pipelines
- Mentored junior developers across multiple teams in unit testing (ginkgo and JUnit), test-driven development, and best practices

Software Engineer Contractor / FTE

Wells Fargo | remote | 2020-2021 (contractor and FTE)

- Technical lead for core Corporate Trust legacy **systems** (**Java**, **Spring**, Oracle SQL, MS SQL Server)
- Contract **developer** on greenfield project to interface/integrate **systems** (**Spring** Boot, **Spring** Batch, Oracle SQL)

Lead **Software Engineer**

Thomson Reuters / Refinitiv | Eagan, MN | 2016-2019

- Developed, maintained and enhanced processes and tools critical to world-wide publication of prices and pricing metadata for government and corporate bonds and other fixed-income instruments (Perl, shell, C)
- Maintained and enhanced **software** suite that computes and publishes yield curves for municipal bonds (Python)

Senior Architect / Team Lead

Identifix | Roseville, MN | 2013-2016

- Technology lead for team responsible for crawling, converting and indexing technical content for republication (**Java**, Groovy, Mockito, Spock, Postman, MS SQL Server)
- Oversaw continuing reengineering of large legacy code base
- Reverse-engineered **Java Web** Start application using **Java** decompiler and network sniffer

Lead Software Engineer

FindLaw | Eagan, MN | 2006-2013

- Technology lead for dual-site team of developers writing and maintaining nearly 100 business processes critical to fulfillment of FindLaw's product lines (Oracle BPM, Java, Oracle DB)
- Re-architected BPM platform to be multi-tiered and REST services-based, allowing for increased code reuse, better reporting, and less effort needed to create new processes (Java, Oracle BPM, Oracle DB, NetKernel)

Software Engineer / Lead Software Engineer

West Publishing / Thomson Reuters | Eagan, MN | 1997-2006

- Designer and technical lead for framework responsible for the scraping and conversion to XML of millions of dockets from hundreds of state and federal court websites, both in batch and in response to real-time requests (Java, Perl, MS SQL Server)
- Developer of software used for link resolution in the West CD-ROM publishing processes (C++)
- Developer for UI used in public records publishing workflow (VB6)

STRENGTHS

- | | |
|---|--|
| <ul style="list-style-type: none">• Communication• Self-Starter• Passion for testing and code quality | <ul style="list-style-type: none">• Critical thinking• Questioning assumptions• Adaptability |
|---|--|

EDUCATION

Juris Doctor

University of California College of the Law, San Francisco

Bachelor of Arts

California State University Fresno

Laurence Rubinow

- Inver Grove Heights, MN, US
