EXPERIENCE

Evergreen - Insight Global

Data Collection Technician

Big Island, HI

June 2024 – July 2024

- Digitize public utility network using **ArcGIS**, High accuracy GPS and in-field data collection.
- Digitize existing construction as-built plans using **ArcGIS**.
- Perform high accuracy GPS data collection using Trimble Catalyst and Trimble RTX real-time kinematics.
- Collect integral attributes in-field using Arc Field Maps.
- Perform in-field measurements of manhole angles, rim heights, depths and pipe diameters.
- Calculate manhole orthometric height, invert depths and elevations using Arcade Expressions.
- Build and maintain external dashboard using **ArcGIS** Experience Builder.
- Build and maintain weekly internal/external report.

Evergreen - Insight Global

*OSP Designer and **GIS** Technician*

Atlanta, GA

October 2023 – Present

- Design and execute precise fiber network layouts for both aerial and underground installations utilizing **ArcGIS** Pro.
- Ensure compliance with local and state regulations and guidelines during the design process.
- Digitize and evaluate survey maps, designate easements, and delineate property lines for accurate network planning.
- Conduct aerial analyses to optimize the placement of fiber equipment, ensuring data accuracy through imagery.
- Efficiently manage hourly reports, client communications, and work allocations to meet project deadlines.
- Produce comprehensive **production** and time-and-material reports for internal and external stakeholders.
- Facilitate clear and professional communication to maintain a consistent workflow with external partners.

Wiser Imagery

***Geospatial** Analyst - Cartographer (**Geospatial** Intelligence)*

Norcross, GA

2022 – 2023

- Applied advanced cartographic techniques using Esri products to gather, analyze, and interpret **geographic** data for digital product development.
- Configured map templates and conducted feature collection, ensuring accurate attribution from diverse sources.
- Utilized SQL for data management and quality control, ensuring adherence to NGA and GEOINT specifications.
- Maintained meticulous documentation and organization standards to meet stringent guidelines.

Restore Hyper Wellness

Assistant General Manager

Sandy Springs, GA

2021 – 2022

- Worked with the General Manager to adapt your team to new **system** procedures, education, and performance expectations.
- Performed duties of General Manager in their absence.
- Worked collaboratively with the General Manager to manage and exceed all sales goals for the entire team.
- Managed performance metrics (KPI's), revenue, ordering, inventory, payroll, cost controls, and facility maintenance as set by the General and Regional Manager.

PROFESSIONAL CERTIFICATIONS AND EDUCATION

Data Analytics: <https://github.com/Luke-Bohling/PortfolioProject->

(2021)

- Utilized SQL to parse through, explore and clean relevant covid-19 data
- Created coherent visualizations with Tableau.
- Foundations for coding syntax (R, Python)

EDUCATION

Georgia College & State University: College of Health and Sciences

B.S. Exercise Science, Pre-Physical Therapy

Minor: Spanish

Milledgeville, GA

July 2020

SKILLS & INTERESTS

Skills: ArcPro, ArcMap, Arc Field Maps, Experience Builder, Survey Equipment, SQL, Python

LUKE BOHLING

- Savannah, GA, US
