PROFESSIONAL EXPERIENCE

Belt Power LLC Marietta, GA Financial Assistant	07/2016 – Current
Managed system access and user account, generating reports, and resolving discrepancies while coordinating with clients and stakeholders to implement and maintain robust protocols, while also providing vendor support.	
State Floors Marietta, GA Cyber Security Associate	11/2022 – 04/2023
- Performed comprehensive security assessments by identifying system vulnerabilities, managing network security issues, and analyzing the root causes of security threats while implementing and configuring a range of security tools, including antivirus and monitoring software, to address weaknesses and protect against potential threats. - Delivered targeted user training on recognizing and responding to spam and phishing emails, thereby reducing the risk of successful cyber-attacks. Investigated any identified threats, ensuring swift incident response. - Monitored network traffic and system logs for unusual or suspicious activity, using security information and event management tools to detect and respond to potential security incidents in real time. - Evaluated and suggested enhancements to existing security protocols and systems, aiming to fortify network defenses and improve overall cybersecurity resilience.	
Regional Supply Inc Marietta, GA Account Manager	09/2015 – 07/2016
Utilized assessing system requirements, providing experience in understanding complex products and services to identify and address vulnerabilities, provide solutions, and route critical issues to appropriate team members.	
Alyssa Managed Services Alpharetta, GA Product Support Specialist	09/2015 – 06/2016
- Delivered comprehensive post-sales support over 9 months, managing customer inquiries, resolving issues, and ensuring compliance with legal requirements, resulting in improved customer satisfaction and retention. - Collaborated closely with customers to develop tailored solutions, proactively addressing product challenges and enhancing the overall user experience through consistent follow-up and support. - Executed after-sales activities, including detailed customer follow-up processes, to ensure continued product success and long-term client relationships.
