- **Microsoft** – Azure Fundamentals
- **Microsoft** - Security Operations Analyst
- Salesforce - Salesforce Certified Administrator

Professional Experience

IT Consultant / Program & Project Leader | Multiple Clients

Dapsim Consulting Firm | Aug 2018 – Present

Clients include: Truist, Omnimax, OmniVue, Red Bull, Deloitte, BP, Norfolk Southern, ARCA Payments

Led enterprise-level **IT** transformation initiatives across diverse industries (transportation, energy, manufacturing, finance). Provided **project** and program **management**, **Agile** delivery leadership, and ERP/CRM system expertise for high-impact digital transformation projects. Frequently brought in to guide strategy, manage complex stakeholder landscapes, and execute under tight deadlines.

Key Projects & Engagements:

ERP Discovery Lead – ARCA Payments (2025)

- Directed the discovery phase of a major ERP implementation initiative, gathering business requirements and mapping current state processes across Finance, HR, and Supply Chain.
- Developed Business Process Maps, Requirements Traceability Matrices, and ERP Fit/Gap Analysis.
- Facilitated executive alignment and supported vendor evaluation and selection.

Sr. Manager, Business Systems – Norfolk Southern (via Revolution Technologies, 2022–2024)

- Oversaw multi-million-dollar IT project portfolio, reducing cloud infrastructure costs by 25% through hybrid cloud migration.
- Managed Salesforce CPQ and S/4 HANA data integration efforts; acted as Scrum Master for SAP data migration teams.

Agile Project Manager – Deloitte, BP (via Apex Systems, 2021–2022)

- Delivered major SAP Fieldglass implementation and Workday HCM/Payroll deployments.
- Scrum Master for SAP S/4HANA Credit Modernization Program, accelerating feature delivery by 25%.

Project Manager – Red Bull (via TEKsystems, 2020–2021)

- Led enterprise application transition to AMS partner across U.S. and Austria.
- Implemented Oracle Fusion for procurement and workforce management, reducing costs and increasing efficiency.

Program Manager – Truist, Omnimax, OmniVue (2018–2020)

- Managed Microsoft Dynamics 365 implementations aligned technical teams with business stakeholders and led program governance and communications.

Sr. IT Manager/Scrum Master

WestRock

11/2016 – 08/2018

- Successfully implemented and managed multiple projects concurrently in a waterfall-agile hybrid environment, ensuring alignment with organizational goals.
- Oversaw full project lifecycle management, including cost, schedule, and performance metrics, tracking progress against plans to ensure timely delivery of key milestones.
- Managed the CNC team to support the JDE environment.
- Improved organizational IT standards, processes, and lifecycle methodologies to enhance efficiency and deliver value.

Notable Projects and Achievements include:

- **JDE Implementation & Upgrades:** Led the implementation of JDE archiving and purging for financial systems, including upgrades to versions 9.2 and 9.2.2.
- **Agile Leadership:** Coached teams in Scrum and Agile best practices, leading sprint reviews and daily stand-ups to ensure alignment and progress. Trained company staff in Agile methodologies to improve workflow efficiency.
- **Third-Party Integration:** Managed the end-to-end implementation of DAS (third-party bolt-on) and Salesforce integration into JDE, as well as the deployment of JDE Enterprise purchase and asset management solutions across multiple plants.
- **Accounts Receivable Modernization:** Directed the successful implementation of Cforia for accounts receivable management.
- **Workday Optimization:** Designed and delivered future-ready Workday solutions to optimize HR and finance functions, enhancing employee experience.
- **SAP Transformations:** Led teams through the SAP ECC 6.0 to S/4HANA upgrade and facilitated the integration of critical applications into S/4HANA. Technology Roadmap Development: Collaborated with stakeholders to define technology roadmaps and architect scalable, future-focused solutions.

Business Analyst/Delivery Manager

Multiple Organizations

06/1999 – 11/2016

Employers included Accenture, Hartford Insurance, Aetna Insurance, Incomm Payments, Coca-Cola,

CONA, Nokia Siemens, Cox Communications, Home Depot, and Kimberley Clark.

- Focused on understanding business needs and defining requirements
- Ensured solutions were delivered efficiently and effectively.
