AWS SOLUTIONS ARCHITECT

Disciplined, goal-oriented solutions architect specializes in **web** hosting solutions that minimize expenses while ensuring robust **data** redundancy. My approach centers on leveraging scalable **infrastructure** and implementing backup strategies to safeguard **data** integrity without compromising budget constraints. A proven problem solver with an engineering mind, business development drive, and a customer relations personality who excels at providing quality deliverables in **high** pressure environments.

Front-End Web Development | Back-End Web Development | Web Applications | Web Hosting | AWS | IaaS | PaaS | SaaS | API Integration | Database Management | Client Service | Customer Satisfaction | Interpersonal Skills | Team Collaboration | Ownership Mindset
