

# PRIYANKA BIBIANA ARULMARY PAUL XAVIER

Bothell, Washington | (206) 307-9726 | priyaxavier08@gmail.com | www.linkedin.com/in/priyanka-paul-08011996

## SUMMARY

Oracle Applications Developer and Data Engineer with extensive experience delivering scalable, secure, and high-performing solutions in financial services. Skilled in **Oracle PL/SQL, BI Publisher, APEX, and Flexcube RAD (ADF/Forms-like)**, with a strong background in **financial modules, integrations, and reporting**. Adept at collaborating with cross-functional teams, resolving complex production issues, and translating business needs into optimized Oracle-based applications. Recognized for **quick learning, problem-solving, and driving continuous process improvements**.

## SKILLS

- **Languages:** Oracle PL/SQL, Python, Basics of Java and C
- **Databases & Tools:** Oracle 11g-19c, Toad for Oracle, Oracle SQL Developer, SQL\*Loader, Informatica PowerCenter, Oracle FLEXCUBE (FCUBS 14.x), Oracle APEX, Oracle BI (OBI) Publisher, Flexcube RAD (similar to ADF/Forms), Power BI, JIRA, JIRA Xray for testcase management, Snowflake
- **Cloud & DevOps:** AWS (S3, EC2, EKS), Kubernetes, Jenkins, GitHub, CI/CD Pipelines
- **Scheduling & Testing:** Autosys Scheduler, Apache JMeter, Postman, Insomnia
- **Methodologies:** Agile, DevOps, Waterfall

## EXPERIENCE

### LEAD SOFTWARE ENGINEERING – DATA ENGINEER

**Fidelity Investments | April 2023 – June 2024**

- Designed and developed **PL/SQL-driven solutions** and **Informatica ETL pipelines** for critical investment reporting and financial risk management systems.
- Built and optimized database objects supporting **financial transactions, asset management, and reconciliation processes**, ensuring high accuracy and compliance.
- Ensured high availability and performance of data services on **AWS EKS and EC2**, including managing database objects and optimizing data consumption.
- Spearheaded critical technical implementations, optimizing SQL queries via **explain plan analysis** to achieve **3x faster** runtimes, and executed a complex **1.5TB** table restructure using partitions and **PL/SQL** procedures within **12 hours**, ensuring uninterrupted daily batch processing for asset management.
- Developed and tested various **Jenkins** pipelines, including **CI/CD** pipelines using groovy and python scripts.
- Supported **high-severity production issues** involving 500+ jobs and 200+ tables, providing root cause analysis and quick resolutions to minimize downtime.
- Developed **self-service applications using Oracle APEX** to enable business users to perform data fixes and validations, reducing dependency on IT and improving turnaround by **24+ hours**.

### DATABASE AND BI DEVELOPER - FLEXCUBE CONSULTANT (BANKING)

**Oracle Financial Services Software | June 2021 – April 2023**

- Customized **Oracle Flexcube Universal Banking** modules (OBCL – Corporate Lending, CASA – Accounts, Credit Reporting) via **PL/SQL, RAD (ADF/Forms-like)**, and Oracle APIs.
- Automated **regulatory and credit reports** using **Oracle BI Publisher**, reducing manual work, and ensuring compliance with financial regulations.
- Developed **APEX-based self-service tools** for operations teams, improving efficiency and reducing operational bottlenecks.
- Collaborated with clients to **translate business requirements** into functional and technical solutions, ensuring smooth delivery and client satisfaction.

### DATA ENGINEER (REINSURANCE)

**Tata Consultancy Services (TCS) | Oct 2017 – June 2021**

- Designed and implemented **PL/SQL-based OLTP and OLAP** solutions for Reinsurance Policy Management, General Ledger, and financial accounting systems.
- Developed ETL workflows using **SQL\*Loader** and **Informatica**, ensuring timely and accurate data processing for critical business operations.
- Implemented **error-handling frameworks and automated purge processes**, reducing issue resolution time by **5+ hours daily**.
- Partnered with clients to gather functional requirements and deliver **optimized database solutions** supporting global financial operations.

## CERTIFICATIONS

**Microsoft Certified: Power BI Data Analyst Associate** (Credential ID: 9970882571009686)

## EDUCATION

### Bachelor of Technology

Government College of Technology, Coimbatore, India

2013-2017

7.8/10
